Sebastopol World Friends (SWF), a proud member of Sister Cities International, is a non-profit, Sebastopol city commission that provides opportunities for mutual respect and understanding of cultures through the continuous renewal of friendship between people of three diverse communities –

Sebastopol, CA, and it's sister cities, **Yamauchi, Japan**, and **Chyhyryn, Ukraine**.

The objectives of SWF are:

- To encourage the people of Sebastopol and their sister cities to understand each other as individuals, as members of their communities, and as citizens of their countries.
- To foster a continuing relationship of mutual concern between the people of Sebastopol and the people of their sisters cities.
- To undertake activities and programs that provide appropriate aid and comfort, education, and mutual understanding.
- To participate in local, national, and international programs of cooperative municipal organizations, such as Sister Cities International.

“The Sister Cities program is an important resource to the negotiations of governments in letting people themselves give expression to their common desire for friendship, goodwill, and cooperation for a better world for all.”

Dwight D. Eisenhower
